All our residents were thrilled at the return of our **live music** events this month.

Melody and Robin from Full Beam, a musical entertainment company, come in

rang with the sound of the popular songs of Dolly Parton, Kenny Rogers, Johnny Cash

The return of some good weather has enabled residents and staff to enjoy more activities outside. Mark was very relaxed in the garden whilst having his foot spa, Jonathan has been busy with his skilful tower building and JP and Mark loved doing messy art!

Our residents also really enjoy it when Stuart, a local musician and volunteer, comes to play his guitar and sing a variety of different songs. We bring out the Bevern View instruments and the residents love to play along to everything from George Ezra to Matt Redman (a worship leader well known to those residents who also attend the Lighthouse Group). Our Hello Group is a morning welcome group where we say hello, find out what day it is and what the weather is like for that day. The residents have each chosen their own personalised Hello song from a wide variety of music genres - we have Mamma Mia, the plans for that morning.
