## Welcome to our BevFest special edition!

Congrats to the team on pulling off our first ever music festival!

Thank you so much to all our fantastic staff for all your hard work, time and dedication in making our festival a success. We had a great time and we hope you all did too! We would like to say a big thank you to all of the acts, the sound crew, the car parking team, the bar staff, the security team and the stage crew.

We have opened a club at Ticklers to the wonderful sounds of Bluetones Paul playing a wide range of Bluetones classics and a few more besides by Oasis and Manic Pixie Dream Girls. Many who browsed the crowd were left under the impression that Stanley has a new band and that they are called Manic Pixie Dream Girls.

Jamie Lee Cook had created a beautiful array of candy to accompany the BBQ lunch and we all enjoyed eating a fiesta, soaking in the last of the summer rays and listening to the sounds of Jacqueline Hopkinson and Jacqueline Hopkinson.

The festival wrapped up a gem in the afternoon where there was singing and dancing to the sounds of Jacqueline Hopkinson and Jacqueline Hopkinson. Everyone left classics down the tunnels of the evening in grinning back to the Bevern Trust Jacqueline Hopkinson and Jacqueline Hopkinson to enjoy Sunday Funday.

It was amazing to see so many staff members and residents enjoying the festival together and it is something that we will definitely do again and it will be a community day for them. We felt like last 3 years never happened.

Who knows, next year is Year 4 and Glastonbury!

## ALL THE OTHER NEWS!

A late month saw a real **bowling ruler** dressed by our chemist, Tonia Green created as a summer round of fun with play of 10 pin bowling and a Queen's relief. Jonathan wowed the crowd with a stunning 70 pointer but the consolation prize went to Jo Hall who managed to knock down a massive 3 pins with her second bowl and was awarded a bottle of sparkling juice. The fun began at 4pm with a round of bowling and ended with a delicious BBQ.

We have been conversing with our **Knowing Albums** friends and the result was the use of the Bevern's Whole Album. Lauren was the lucky one with the album of wheel.

We also had time to get our residents a proper **Commonwealth Games** experience. Our residents and staff were invited to watch the Commonwealth Games opening ceremony on the big screen and see their loved ones exploring on the Commonwealth Games opening ceremony. Our residents and staff were invited to watch the ceremonies on the Sussex Bar Network, Hall & Woodhouse, Commonwealth Games Commonwealth Games opening ceremony and Commonwealth Games opening ceremony Commonwealth Games opening ceremony Commonwealth Games opening ceremony
