support, involvement and generosity. Nearly thirty years ago I remember meeting Nick on a walk and his direct challenge; "Are you serious about doing something for young people with disabilities in this area because if you are Harry and I can help you." What followed was an amazing commitment to develop a project in this community. Harry linked us to a local family

charitable trust which offered much of the funding needed. Although through Harry we had the funding needed our application to build Bevern View on a site outside the village was narrowly rejected. At this point Harry came to our rescue by donating us a site on her land next to the Willows. such as charades, sang Christmas songs, pulled crackers and wore our Christmas party hats. To finish off the morning we had a DJ set from Ciaron who played all the classic Christmas tunes. Ciaron enjoyed an action packed day at Eastbourne LTA Tennis Championships and even managed to get on TV!

It's so wonderful to watch this five acre garden for all seasons evolve over the short period of time that we're there. The Irises, which are the main attraction in May had given way to stunning roses in June. The formal parterre rose garden is breathtaking but as you make your way through each different area you are constantly stunned by
